Like all churches, the CLF relies on the support of its members to sustain its programs and outreach. Annual donations are a requirement of CLF membership and we gratefully accept donations in any amount. Some people like to give every month to make it easier to budget and others like to give a yearly donation all at once.

The amount and frequency is left up to our members to decide. Generally members pledge an amount at the beginning of each calendar year, and contribute toward that pledge throughout the year as fits their own budget.

The CLF encourages you to set up automatic monthly or quarterly contributions on the CLF website at [www.clfuu.org](http://www.clfuu.org) by clicking on GIVE at the top. Automatic contributions, in particular, help you make regular contributions while ensuring the CLF has a predictable revenue stream.

CLF prohibits the use of our mailing list by fundraising organizations, however as a member of a UU congregation, you may receive notices for UU conferences, gatherings, or district activities.

If you are an 18-35 year old, you may want to think about joining the Church of the Younger Fellowship ([www.uucyf.org](http://www.uucyf.org)). CYF members are automatically members of the CLF, with all the associated privileges. For example, they may borrow materials from the CLF library (members in North America), use our online worship and religious education materials, and they have access to electronic versions of the monthly CLF publication *Quest*, and the quarterly UUA's *UUWorld*.

Since both the CLF and CYF rely on contributions from members to do their good work in the world, we encourage people to pick one of the two organizations to focus on for their financial stewardship.

## CLF Online Community and Contact Information

We have several email lists you may join for community and to learn more about CLF. Please go to [www.clfuu.org/lists.html](http://www.clfuu.org/lists.html) for descriptions of the many email lists available to CLF members.

- clf-l** - A lively general purpose discussion list for members. Many topics are covered, and we try to create a real on-line community. If you would like to be included in this list please check this box.
- clf-re** - Help is available here for parents who are providing a religious education to their children. If you would like to be included in this list please check this box.

**clf-announce** - All members are automatically enrolled in our low volume announcements list. Every so often, you will receive a timely message from our minister, the staff, or the list moderators. If you *do not* wish to receive these announcements, please check this box. No thanks!

Occasionally CLF members, other Unitarian Universalists, and UU organizations request contact information for local CLF members for purposes of gatherings and workshops (we do not release contact information for fundraising purposes). Please check this box if you would like your contact information withheld. Please withhold information.
